## **Vermont Employee Ownership Center Announces Office Relocation**

**Burlington, Vermont (July 23, 2008)** -- The Vermont Employee Ownership Center (VEOC) has completed the relocation of its office to 41 Main Street in Burlington. The Center's mailing address and phone number remain unchanged.

The new office is fully accessible and offers additional meeting space to better serve the needs of the Center's staff and the entire business community.

"We're very excited about our new location and the potential it brings for improved outreach," said VEOC Executive Director Jon Crystal. "We encourage those interested in employee ownership to stop by or call to learn more about our work and how employee ownership can benefit them and their business."

The Vermont Employee Ownership Center is a nonprofit organization dedicated to promoting and fostering employee ownership. The group's goals are to broaden capital ownership, deepen employee participation, retain local ownership of businesses and the jobs they support, increase living standards for working families, and stabilize communities. VEOC works directly with owners interested in selling their business to their employees, employee groups interested in purchasing a business, and entrepreneurs who wish to start a company with broadly-shared ownership.
